WATCH PARTY CONVERSATION STARTERS

The following questions are designed to get people talking, sharing life together and can be used each week. You as the Host may want to lead a conversation starter or delegate a question or two to someone in your group. These are only suggestions to help people at your Watch Party to connect.

1. What are some wins you had this week? (Wins can be as simple as “everyone in my family is healthy” or “my coworker asked me to pray for her”)
2. What part of this week’s message spoke most to you?
 - a. What was something funny that was said?
 - b. What hit you straight in the heart?
 - c. How will you try to apply one thing from the message this week?
3. How is everyone doing this week on a scale of 1-10, 10 being best and why?

4. What new challenges have you encountered this week? Social, financial, relational, spiritual and or emotional?
 - a. How are you trying to navigate those challenges?
 - b. What are you doing differently?
5. What new fun things have you tried? I.e. Put together a puzzle, watched this movie, cleaned the garage, went for a walk, etc.
6. How have you grown closer to Jesus this week? What helped to draw you closer to Him?
7. How can we pray for one another this week? Write down the requests to pray for during the week. If you have time, have different people pray for each other during the group time.
